

**KEDINGTON PARISH COUNCIL**  
**INTERNAL CONTROL STATEMENT FOR YEAR ENDING 31<sup>st</sup> MARCH 2026**

**1. SCOPE OF RESPONSIBILITY**

Kedington Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

The Council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

**2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

**3. THE INTERNAL CONTROL ENVIRONMENT**

**The Council:**

The Council reviews its obligations and objectives and approves budgets for the following year at its November/December Budget/Precept meeting. The December/January meeting of the Council approves the level of precept for the following financial year. Councillors involved in the Budget/Precept Meeting sign to state they are not in arrears (at least two months unpaid bills) with Council Tax.<sup>1</sup>

Kedington Parish Council meets monthly (except August) during the financial year, unless decided otherwise at a prior meeting. Members of the Council monitor progress against objectives, financial systems and procedures, budgetary control and carry out regular reviews of financial matters. The minutes of the meetings are circulated to all members of the Council. Bank reconciliation checks are carried out by the Parish Clerk/RFO and presented with budget sheet statements.

The Council carries out regular reviews of its internal controls, systems and procedures. See attached report.

**Clerk to the Council/Responsible Finance Officer:**

The Council has appointed a Clerk to the Council who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Clerk is responsible for advising on the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

## KEDINGTON PARISH COUNCIL

### INTERNAL CONTROL REPORT

The Accounts & Audit (England) Regulations 2015 aims to strengthen governance and accountability through requirements related to internal control and internal audit. Whilst the Parish Council has reviewed the effectiveness of the internal audit (independence, competence, proportionate and scope), it has a requirement levied on it to ensure that its financial management is adequate and effective and that it has a sound system of internal control:

“The regulations require active participation by members in providing positive assurance to the electors of their stewardship of public money. The framework of accountability is risk-based i.e. level of control and management must be appropriate to the risk involved. The Council must determine the most appropriate method of internal control; care should be taken to ensure that internal control tests are proportionate and relevant and that they are neither seen as, nor intended as, undue interference in the RFO’s day to day management of financial affairs.”

As part of its internal control, the Kedington Parish Council has appointed a non-signatory Councillor to conduct a review of the system of internal control via the following tests on an annual basis with a written report of any findings to be submitted to the Council and minuted as received.
